

Moulton Elementary Science Fair Participant Information TK-3rd Grade

Display Boards

- Refer to page 12 in your Science Fair Planning Guide for guidelines and an example of how to put your display board together. Remember the display board is the last thing you want to do. Make sure you have all parts completed and laid out before you attach anything to your board.

Turning Your Experiment In

- Kindergarten - 3rd grade experiments are **DUE Thursday, April 18th, 2024**. Please deliver your completed backboard and any display items to portable 32 before school starts. **Portable 32 will be open from 7:30-8:00 am.**
- For all experiments, please fill out the attached form and glue it to the back of your experiment board.

Judging

- The Science Fair welcomes students from TK to 3rd grade in a supportive, noncompetitive environment where each participant's effort is acknowledged. The emphasis lies in the joy of creating a project, taking pride in one's work, and having a great time. Every student will be presented with a participation certificate.

Science Fair

- The Science Fair will take place **Thursday, 4/18/24 from 5:00 - 7:00 pm** in the MPR. This is the same night as open house!
- There will be a short ceremony to announce all grade level winners and present participation awards at 6:45pm in Portable #32.

***Grades 4 and 5 will turn in their project on Wednesday, 4/17/24 to have time for judging.**

***Grades TK-3 will turn in their project the morning of the fair Thursday, 4/18/24.**
